

## Summary for children and young people

Name of children's home: Ade Adepitan Short Break Centre

URN: SC457780

Date of inspection: 29 and 30 April 2025

Hello everyone,

I recently visited the home to see how staff look after you when stay there some days and nights.

It was lovely to see some of you when you came in after school on both days I was in the home.

It was lovely to also meet and spend time with Veer who lives in the home.

I saw that you enjoy being in the home because you looked happy. You enjoy spending time with staff.

I think that staff do a good job in taking care of you and keeping you safe.

At the end of the inspection, I decided that the home is a 'good' home.

Best Wishes,  
Thobekile Bandama, Social Care Inspector
