Purpose of meeting

The event was due to be an opportunity for St. Raphael's residents to find out more and ask questions about the proposed redevelopment of St. Raphael's Estate.

Outcome

The venue was not large enough for the number of people who attended and the venue was very crowded. The event was not able to run as envisaged and instead it was predominantly a session led by the councillors taking questions from the community and with council officers also answering questions.

Actions

Further meeting at Brent Civic Centre the following Sunday (16 December) to be held.
