

Future St Raphael's Community Day - Event Summary

On the 31 August 2019, Brent Council organised a Community Day for residents on St Raphael's Estate. The event was held in St Raphael's Edible Garden, and there were lots of activities for residents of all ages such as planting, free food and face painting. George the Poet was there and previewed his film about the estate. Sadly, the park/river walk was cancelled due to poor weather.

146 individual residents attended, representing 62 households. 25 households attended for the first time.

13 people filled out the feedback form. Not everyone answered all questions.

Extract from time line - see website for full details

1. What do you like best about St Raphael's Estate?

2. What is it you like about it?

"Everything, it is my home I can't afford to go somewhere else"

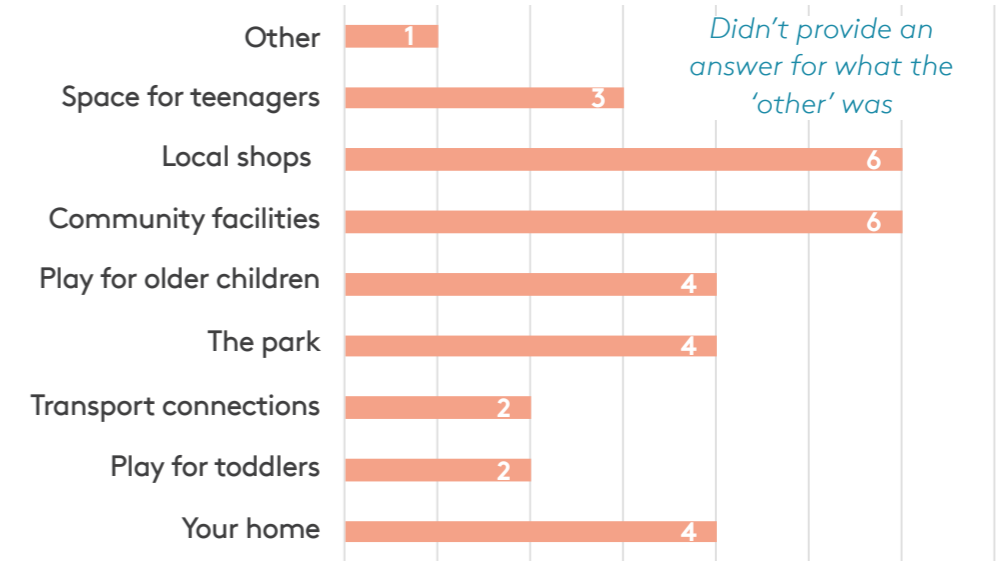

"I feel like everyone living in this estate work as a community and everyone is very comfortable"

"Atmosphere"

"Space, location, community, parks, local shops"

3. If you could improve 3 things on the estate what would you prioritise?

4. How often do you use the park for an activity other than as a through route?
