Local Plan Reg 19 submissions

This afternoon, Paul kindly gave me a few extra hours beyond your 5pm deadline to submit comments, since I said I have had flu since Monday, and actually I have deteriorated somewhat again.

(I *did* have the flu jab.)

I cannot complete my submissions (by email) until tomorrow, so I hope Paul is continuing to be the fine and charitable fellow he clearly is, and Friday submissions can exceptionally be accepted by your team.

Regards,
John Cox
