Without reference to the shortfalls this would not assist in creating a healthy borough.

To ensure an effective and fair examination, it is important that the Inspector and all other participants in the examination process are able to know who has made representations on the plan. The LPA will therefore ensure that the names and addresses of those making representations can be made available and taken into account by the Inspector. The Council, its

appointed Local Plan Programme Officer or the Planning Inspector appointed to undertake the Examination may also contact you regarding your response.

- Please indicate if you wish your personal data to be used for reasons other than identifying your representation and being contacted in relation to that representation.
