4. Please give reasons for your objection or support:

Although the allocation proposes open space, Sport England notes that there is a MUGA on the site. To ensure the allocation complies with national policy it should specify that the MUGA is retained, but preferably improved.

It is noted that the Summary of comments received, responses and proposed changes to the draft local plan October 2019 document states that the planning consideration will be amended to include " The existing MUGA supplied at the Kilburn Park Junior School site will need to be provided. A community use agreement will be required to allow community access to this and other facilities within the school such as halls where it would not be unreasonable to assume that these facilities could be designed with wider community use in mind."

However, the above text has not been reflected within the consultation document.

5. What change(s) do you consider necessary to make the Plan legally compliant or sound?

The planning consideration should be amended to include " The existing MUGA supplied at the Kilburn Park Junior School site will need to be provided. A community use agreement will be required to allow community access to this and other facilities within the school such as halls where it would not be unreasonable to assume that these facilities could be designed with wider community use in mind."

6. If your representation is seeking a change, do you wish to participate at the oral part of the examination?

Yes, I wish to participate at the oral examination

7. If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary:

If you would like to comment on additional policies, please fix another sheet to this.

To ensure an effective and fair examination, it is important that the Inspector and all other participants in the examination process are able to know who has made representations on the plan. The LPA will therefore ensure that the names and addresses of those making representations can be made available and taken into account by the Inspector. The Council, its appointed Local Plan Programme Officer or the Planning Inspector appointed to undertake the Examination may also contact you regarding your response.

- Please indicate if you wish your personal data to be used for reasons other than identifying your representation and being contacted in relation to that representation.
