

# Willesden Green Then and Now

**Take a look through this slideshow. What do you notice in the photos?**

- Are there any buses, cars or motorbikes?
- What do the buildings look like?
- Can you see any street lights?
- What clothes are people wearing?
- Compare the older and the newer photos of the same places. What is the same and what is different?

**There is a new image followed by an old image for each place.** There is a location reference for each place. For example, if you would like to see where St Gabriel's Church is, [visit our Google map](#) and click on the location reference WG1.

The recent photos are from Google Maps, and the old photos are from our collection. [Explore our collection online.](#)

These images are for personal use only as each image has its own individual copyright restrictions. Please [email us](#) for more information or [visit our website](#).
